Hawaii Pacific Health

Join Hawai'i Pacific Health as they discuss some of their exciting new projects and as they continue their mission to create a healthier Hawai'i. Anchored by their four medical centers as well as over 70 locations statewide, they are uniquely positioned to transform health care as we know it today.

Topics of discussion to include:

- The expansion of their Mililani clinic.
- Relocation of their ENT (Ear, Nose and Throat) Clinic at Waterfront Plaza.
- New Specialty Pharmacy at Airport Industrial Park
- The Straub Benioff Medical Center's redevelopment of their King Street campus.
