

# Commercial Real Estate Acquisitions and Outlook

## Friday, September 22, 2017

The CCIM Hawaii Chapter, UH Athletics and the University of Hawai'i at Manoa Shidler College of Business are teaming for the first time ever to host a commercial real estate event. Come and network with CCIM members, Shidler alumni, and students while listening to perspectives on the past, present and future of commercial real estate by members of two of the state's most active real estate companies. Gain insight into how these executives in the industry started in commercial real estate, learn about the recent Pearl Ridge Uptown II sale and Manoa Shopping Center acquisition, where they see the future of commercial estate going in the years to come, and much more from the very people putting these deals together.
